### Pick up:

A bargain free pick up can be arranged. We send metered taxis to the airport and boat piers. For a 4 seat taxi the price from the airport is about 120.000VND and from boats about 270.000VND.

### How to get here:

If you come by boat also a good option is to take the public bus to Duong Dong (about 30.000VND/person) and from there take a car taxi to us or a motorbike taxi (or "xe om"), which should not cost more than 50.000VND. Tell the driver to bring you to Freedomland on Ong Lang and if he doesn't know (we are still new) tell him to bring you to Thang Loi resort and when arriving you'll see orange signs pointing to us.
